# About Company

Energenic Service LLC Company is a Saudi Arabia-based enterprise dedicated to delivering high-quality services in construction, manpower supply, and general trading. We combine local market expertise with international standards to ensure our clients receive reliable, efficient, and cost-effective solutions. Our commitment extends beyond completing projects – we focus on building long-term relationships, maintaining strict quality control, and ensuring safety at every stage.

At Energenic Service LLC Co., we are committed to doing good work. We believe that professionalism, transparency, and innovation are the keys to earning our clients' trust and delivering consistent results. Whether it's supplying skilled manpower, executing construction projects, or managing diverse trading operations, we aim to exceed expectations and contribute to the growth of our partners and the communities we serve.

# Vision & Mission

## Vision

To become one of the leading business entities in the Kingdom of Saudi Arabia by consistently delivering reliable, cost-effective, and high-quality solutions to our clients. We strive to set new benchmarks in professionalism, integrity, and customer satisfaction while contributing to the economic growth and development of the Kingdom.

## Mission

Our mission is to deliver excellence through high-quality services, building strong and transparent relationships with our clients and partners. We are dedicated to creating job opportunities, supporting the local workforce, and promoting ethical business practices in every aspect of our operations.

# Our Service

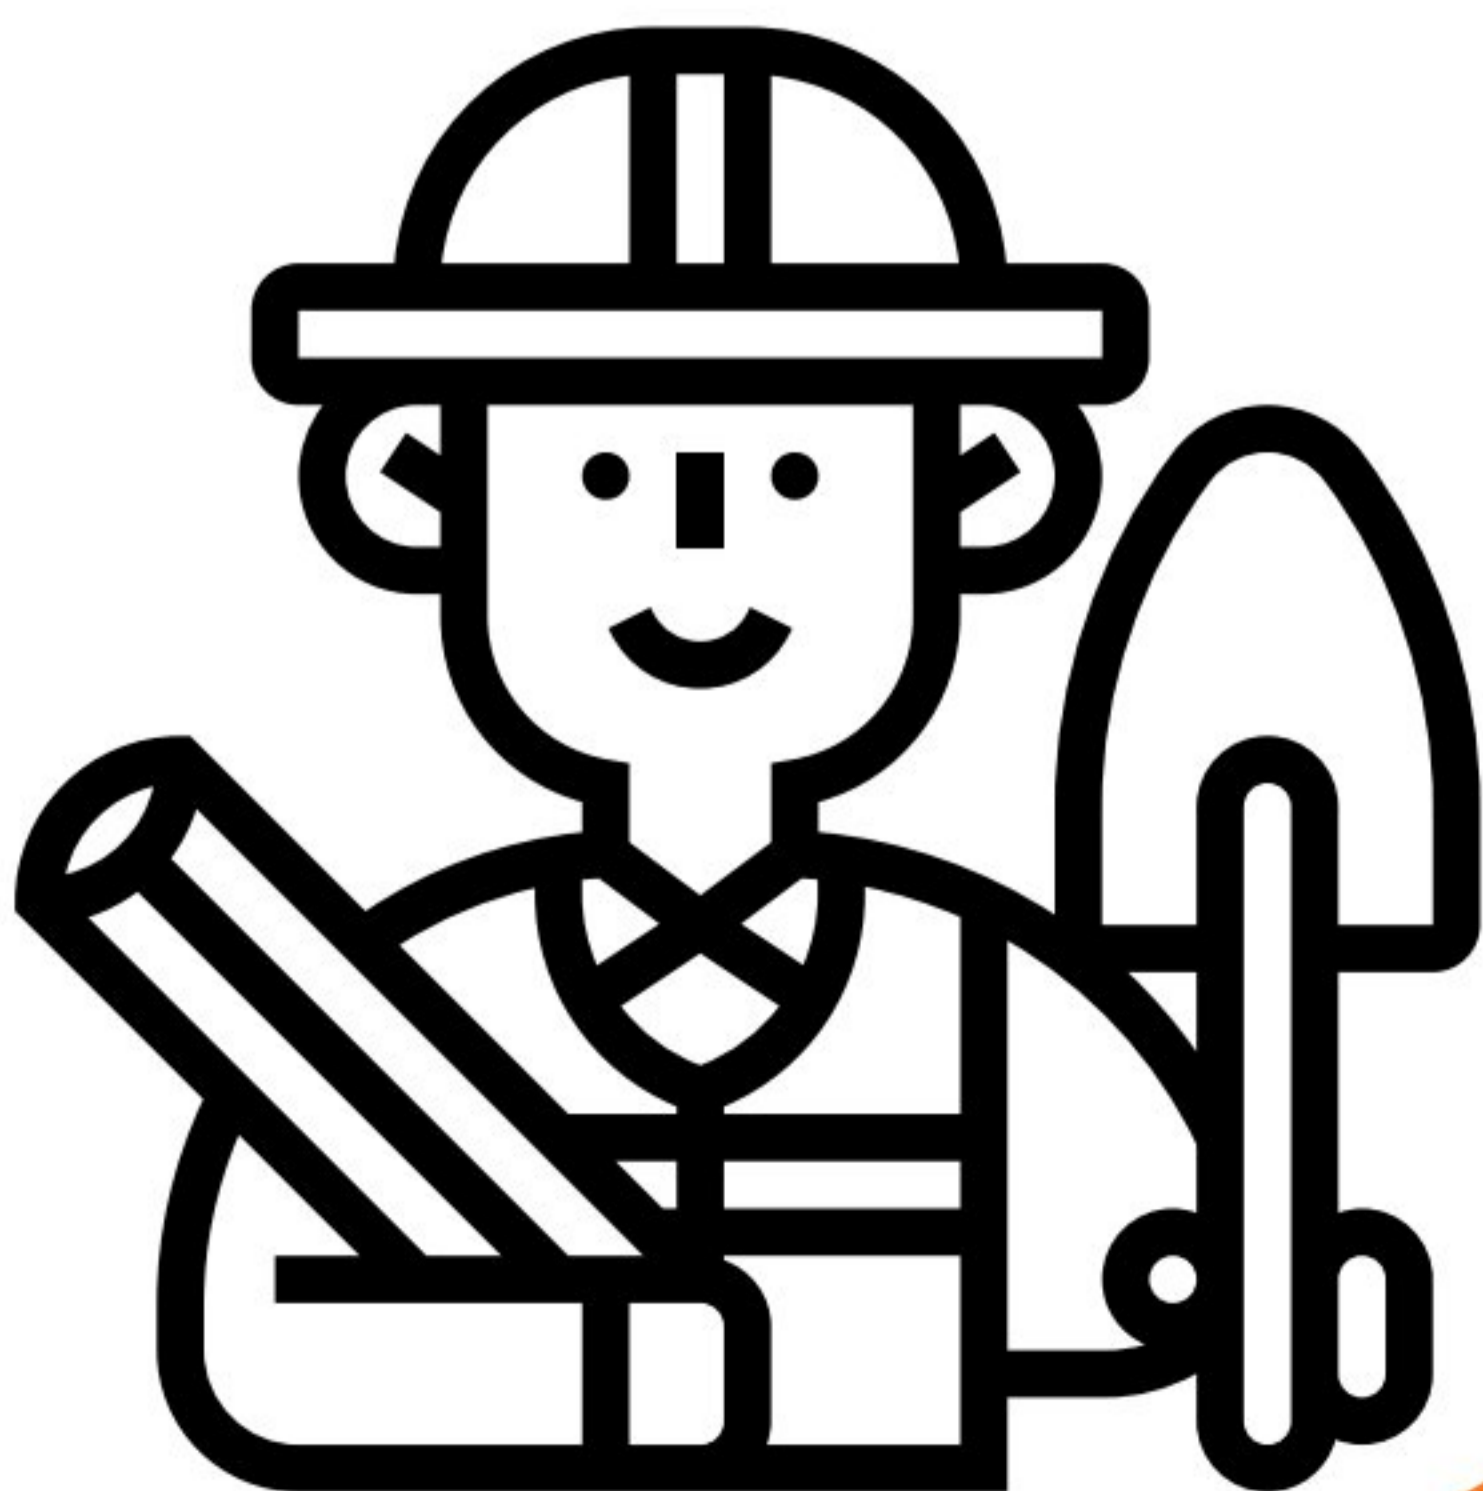

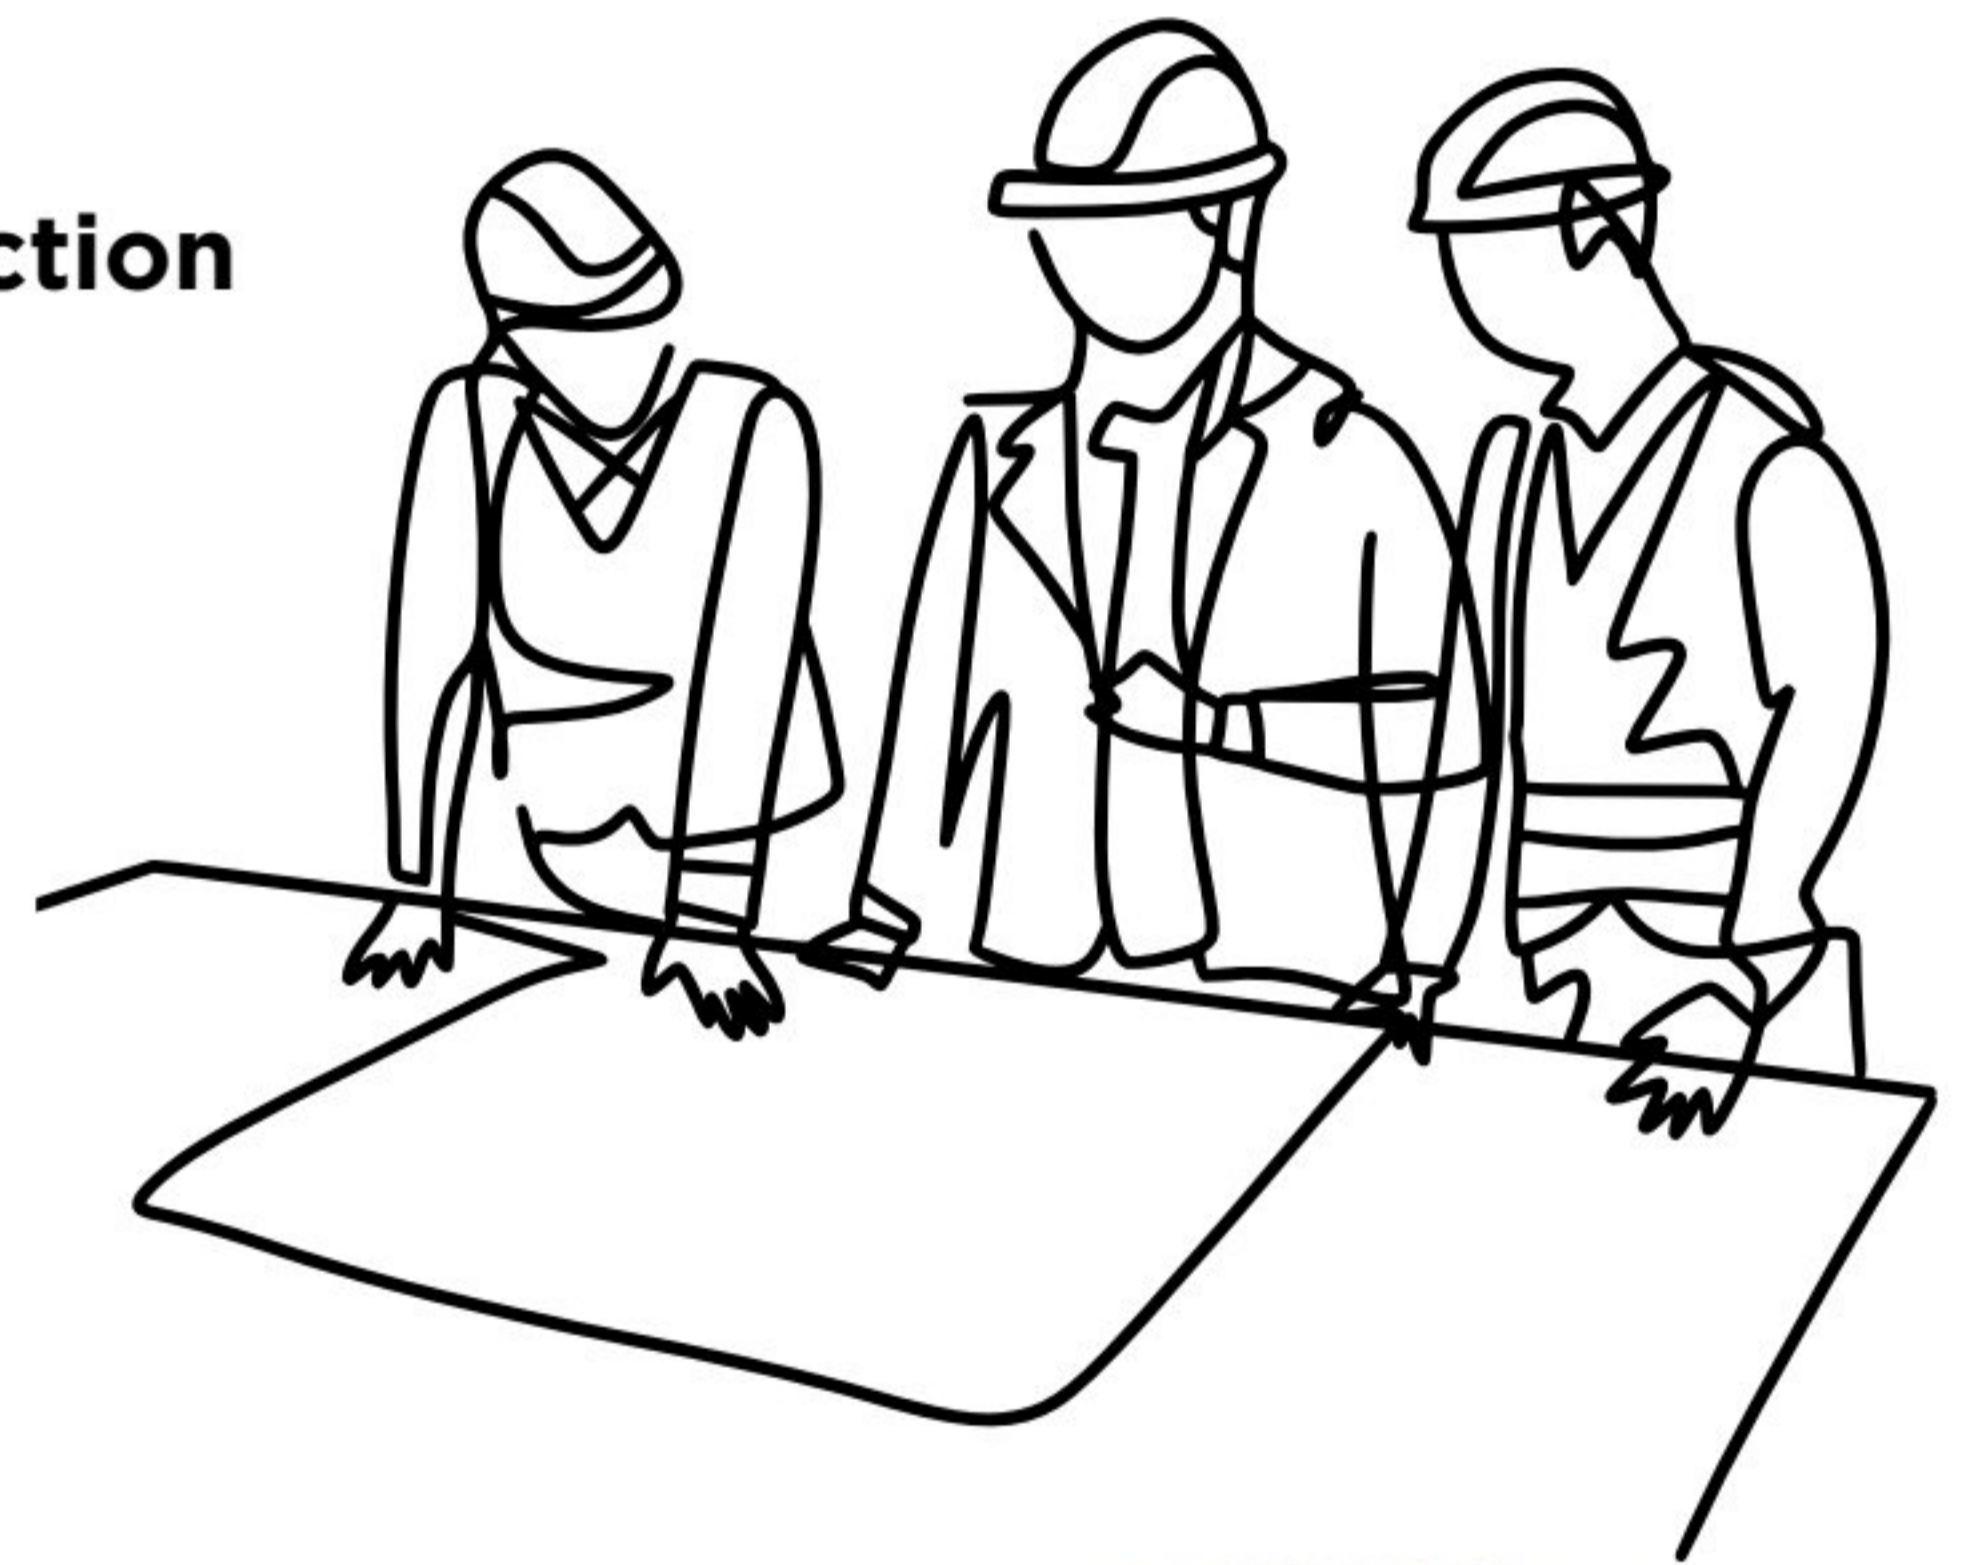

With the help of wide access to the Saudi job market, we can connect you with any category professionals.

## Civil & General Construction

We provide experienced manpower for all types of civil works, including masonry, plastering, concreting, and general structural activities. Our civil workforce is trained to deliver reliable services while ensuring quality, precision, and adherence to safety standards on every project.

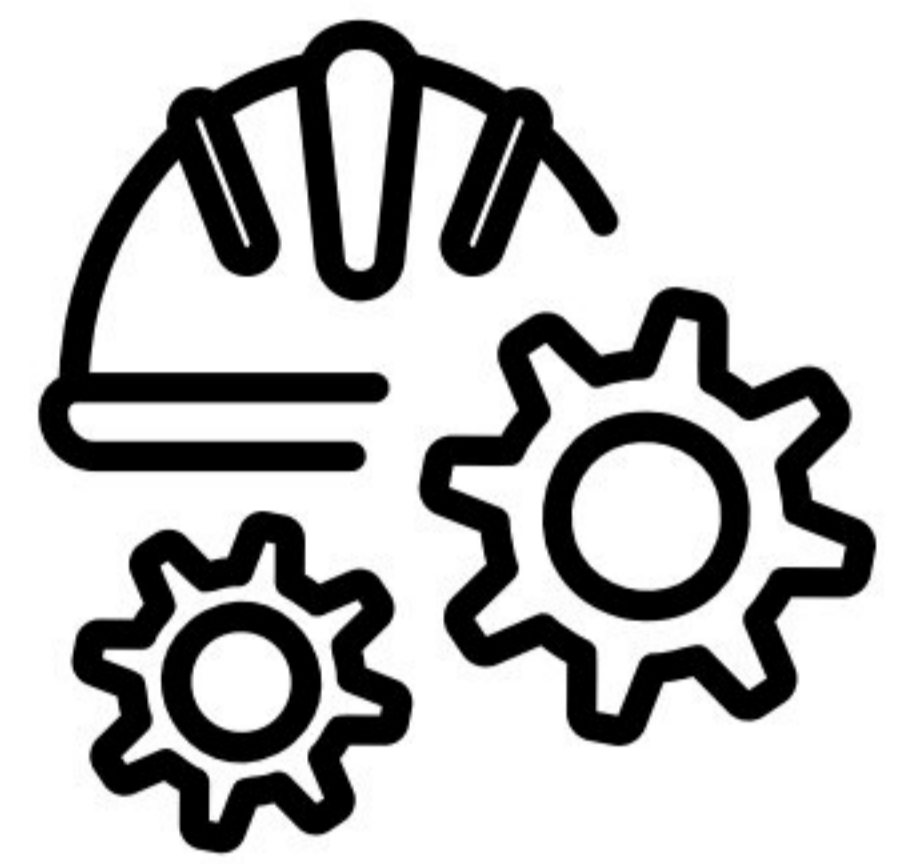

### Key Positions in Civil & General Construction

- **Civil Engineers**
- **Civil Supervisors**
- **Technicians**
- **Foremen**
- **Riggers**
- **AutoCAD Operators**

# General Manpower

We supply reliable and hardworking general helpers to support a wide range of industries. Our helpers assist in daily activities such as loading and unloading, product packaging, site cleaning, and basic labor support. They are adaptable, efficient, and capable of handling both skilled and unskilled tasks as per client requirements, ensuring smooth workflow and productivity.

## Key Positions in General Manpower

- **Factory Workers**
- **Storekeepers / Warehouse Staff**
- **Cleaners / Housekeepers**
- **Office Boys / Tea Boys**
- **Loaders / Packers**

شركة أنظقة الأمديلي  
ENERGENIC SERVICE COMPANY

## Cleaners, Housekeepers

We supply reliable cleaning and housekeeping staff for residential, commercial, and industrial facilities, ensuring hygiene and cleanliness

## Office Boys, Tea Boys

Dedicated office assistants and tea boys are available to support daily office operations and maintain a smooth working environment.

# DOMESTIC WORKERS

We offer domestic staff including housemaids, nannies, and helpers to support household needs with professionalism and care.

## Labor Supply

We specialize in providing skilled, semi-skilled, and unskilled labor to meet the diverse needs of businesses and projects across Saudi Arabia. Our manpower supply services cover a wide range of industries, including construction, manufacturing, logistics, hospitality, and maintenance.

By carefully screening and training our workforce, we ensure that every worker we provide is reliable, competent, and prepared to perform tasks efficiently and safely. Whether clients need temporary staff for a short-term project or a long-term workforce solution, we deliver the right people at the right time to keep operations running smoothly.
